February 22, 2016**

All approved.

**Blended Certification Course .....Amy Sugar**

9 week course working with an instructional technologist.

Many showed an interest in a group class. 4:00 time slot would work well for most faculty. Starting at the end of April would work. Amy will send out a doodle to see what day of the week works best for everyone.

**President Cornwall:**

Board meeting notes:

- The provost candidates are here this week for interviews. All three are strong candidates.
- The board was engaged in the discussion for strategic planning starting next fall.
- Changing the governance of cps and a&s in talks now. Several organization models are being researched. One is to focus on Schools, departmental and school as a whole. The schools model was taken off the table. The departmental was not well received. We are working on a divisional model. There is an open faculty meeting tomorrow Feb 23<sup>rd</sup> hopefully this will move forward.

**EMBA Renewal Committee Update.....Mark Johnston**

- Please see attached PowerPoint
- Comments:
- There is a concern that if we put out into the marketing material “Flex” it may send the wrong message. Also requiring all classes to be available as blended causing extra work for the Faculty.
- This would be on a as needed basis, planned in advance for reasons such as travel or other obligations.
- If we are going to mix the EMBA and the PMBA class we need to offer the Flex to PMBA as well.
- Our goal is to make this a procedure even though we already do accommodate students.
- We need to make sure our learning goals are not compromised
- Are we sure that this proposal is enough to revitalize the EMBA program?
- One intake in the Fall as a pilot
- The class schedule was passed out for review.
- Vote on Proposal Motion to accept: Mark Johnston, second Bill Seyfried. Majority approved
